& Hard to Find Alternatives

ComCare

Our Charitable Giving Solution

ComFit Solutions is dedicated to supporting the communities we work and live in. Thus the creation of ComCare, our Charitable Giving Solution. A portion of all of our proceeds will be put forth into a fund in order to help charitable organizations within our communities. Additionally, our participating manufacturers will make a donation of their proceeds created by ComFit Solutions into this fund as well.

At the end of the fiscal year, 50% of the donated funds will be equally distributed to amongst our customers who fall into the category of a non-profit or charitable organization. The remaining 50% of these funds will be distributed to other non-profit organizations within our communities.

To request a donation or for further information, please don't hesitate to contact our Charitable Funding Board of Directors at: comcare@comfitsolutions.com or directly call, Director of Charitable Giving, Joseph L. Noel, at (515)-964-0988.
